## EDITORIAL BOARD

Editor-in-Chief, Eleanor Schamp Athletic Manager, Harold Young Artists, Gladys Tait, Donald O'Bryon Faculty Advisors, Julia S. Meaker, Dorothy G. Mulkey

The editorial board consists of the editor-in-chief, the athletic manager, artists, and the committee for the personals. The personals, under the able direction of Miss Malkey, take up an important part of "Cache." It was due to the hard work and executive ability of this group that the year book was completed.

## TYPING COMMITTEE

Faculty Advisor, Miss Mulkey

The typists pounded the keys for all of the material in the year book. They were a very important factor in making the year book complete.

## ADVERTISING COMMITTEE

Business Manager, Eileen Andrews Faculty Advisor, Miss Meaker

The advertising committee took charge of securing the ads from the prospects and without their a little very book would not have been possible. They also had charge of the faculty and alumni pages and were successful in securing the signatures for "Cache."

# **EXECUTIVE COMMITTEE**

Faculty Advisors, Julia S. Meaker, Dorothy G. Mulkey

The executive committee is composed of the class officers, four members chosen by the president, and the faculty advisors. Their duty is to decide upon matters to be brought up for the approval or disapproval of the class. They perform many odd jobs that one never thinks of as needing to be done, such as unpacking and sorting the candy that was sold.

The class officers work especially hard in the Senior year, for it is then that there is most to do. If it were not for their leadership and the guidance of the faculty advisors, the Senior activities would be greatly curtailed.

#### **ARISTA**

The Arista, becoming with each succeeding year a greater credit to the school, is a larger group than that of former years. Many members are seen proudly displaying their blue and white letters with the Lamp of Knowledge on them.

To be eligible for this club, one must maintain a certain average for the entire

year. Last year fifty-one members were able to achieve this scholastic honor.

Special honors are awarded to Eleanor Schamp, Florence Sarson, and John Bowman who have maintained this standard for four years.

The Supervisor, Principal, and Faculty unite in extending congratulations to this worthy group.

#### GIRLS' WINNING TEAMS

Faculty Advisor, Gladys M. Francis

Intramural contests for the girls of W. H. S. in soccer, hockey and basketball were held during the fall and winter months. The interest in all of these sports brought old time is a well as new centers into the games. These process process to the last people between last year's winners and this year's hopefuls. An extraordinary spirit of good sportsmanship was manifested and the winning teams felt they had earned well deserved victories. The Junior girls carried away the hockey honors while the basketball and soccer victories were recorded in the annals of the Senior class. The Sophomore and Freshman girls fought hard, had lots of fun, and are determined that next year the scores of the games will tell a different story.

With much of the County championship team of 1935 remaining, the 1936 team had little trouble in gaining the championship again. Washington now has been crowned County champions for five of the last six years

The veteran Clinton and Hampton nines were bested only after bitter struggles, while our arch rival, Belvidere, standing between us and the championship, was defeated only after nip and tuck battles.

Blair Academy Reserves, in a game ended by rain in the 5th inning, defeated us, but we in turn defeated in a return regulation length game.

The strong Franklin team tied the score in the ninth inning, forcing the game to two extra frames before they won by a one run margin.

It was a good team we had we won 81.8% of our games.

The "Jayvees", consisting of Freshmen, Sophomores, and Juniors had a good season. Of the two games lost, one was to the Hampton Varsity.

The small "Blue Streaks" scored 150 points in their 9 g . nes while holding their opponents to 86 points.

Although not a high scoring team, the Jayvees won by holding their opponents to very small scores. The Hampton Varsity was the only team able to score more than nine points against their aggressive defense.

The purpose of the Junior Varsity system is to insure the boys gaming experience so they may develop into Varsity material

Wrestling is the "baby" sport of the Washington High School Sports Program. This is the first season for this ancient sport in our school.

Although naturally inexperienced, the squad after losing the first five matches came through strong in the end to win the last two contests.

Thus the first year of wrestling in our school has made a promising start, one that, it is hoped will continue to develop.
